

ETHICAL LEADERSHIP IN THE DIGITAL AGE

Price: \$2,100

Course Overview:

In today's digitally-driven world, ethical leadership is essential for navigating the complex challenges and opportunities that arise. This course explores the core principles of ethical leadership and applies them to the digital landscape. Participants will examine key ethical dilemmas, develop strategies for fostering trust in virtual teams, and learn how to promote inclusivity and sustainability in digital spaces. Through case studies, self-assessment, and a capstone project, participants will hone their ethical leadership skills and develop an action plan for implementing ethical practices in their leadership roles.

Module 1: Introduction to Ethical Leadership

- Defining Ethical Leadership and Its Importance
- Core Principles of Ethical Leadership

Module 2: Ethical Challenges and Opportunities in the Digital Age
